EDUCATION

University of Florida

Gainesville, FL

Bachelor of Science in Computer Science, Minor in Mathematics Aug. 2024 – Expected graduation date May 2028

- Relevant Coursework: Data Structures & Algorithms, Discrete Structures, Operating Systems
- GPA: 3.84

Valencia College

Orlando, FL

Associate's in Liberal Arts

Aug. 2022 – May 2024

- GPA: 4.0

WORK EXPERIENCE

Front Service Clerk

Aug. 2024 – Present

Publix

Gainesville, FL

- Delivered efficient customer service and resolved issues in a fast-paced environment, improving communication and problem-solving skills.

Computer Science Tutor (ATC)

March 2026 – Present

University of Florida

Orlando, FL

- Provide one-on-one and group tutoring for undergraduate students in foundational computer science courses
- Assist students in understanding core CS concepts such as programming fundamentals, data structures, and problem-solving techniques

Undergraduate Researcher

Jan 2026 – Present

University of Florida

Gainesville, FL

EXTRACURRICULAR

Software Engineering Club – *Officer*

Jan. 2026 – Present

University of Florida

Gainesville, FL

SwampHacks Tech Team – *Software Engineer*

March 2026 – Present

University of Florida

Gainesville, FL

PROJECTS

Sudoku Game | *Python, Pygame, Github*

Nov. 2024 – Dec. 2024

- Collaboratively developed a fully functional Sudoku game as part of a team of two
- Contributed 300+ lines of code to implement game logic, user interface, and interactive features using Python and Pygame
- Managed version control and collaboration through GitHub

LA Crime Data | *C++, Node.js, React, Express*

Nov. 2025

- Built a full-stack web app to visualize LA crime counts from the Socrata API using animated bar charts (React + Chart.js).
- Implemented backend logic in Node.js/Express to fetch and process API data, integrating a C++ executable with BFS/DFS traversal on a custom C++ tree structure.
- Designed interactive filters by area, case status, and victim demographics to analyze crime trends.

TECHNICAL SKILLS

Languages: Python, C++, JavaScript, HTML/CSS, GoLang

Frameworks: ReactJS, Pygame, Express, Chart.js

Tools: Git, VScode

SCHOLARSHIPS

Hispanic Scholarship Fund

Machen Florida Opportunity Scholar

José Martí Scholarship
